**The Chief General Manager,
BSNL Kerala Circle
Thiruvananthapuram.**

Sir

Sub:- Remittance of employees' co-operative society dues deducted from the salary of the employees and interest thereon - req.

We have drawn your kind attention several times on the society dues deducted from the salary of employees. As per the persistent pressure exerted from the union side as well as from the circle administration, funds have been allotted to Kerala circle by the Corporate Office for the remittance of society dues in five installments. Details of the payments made by the ERP cell of the Kerala circle to societies concerned are given below.

Month of Recovery	Date of remittance
May 2019 to June 2019	05.08.2020
July 2019 to August 2019	27.08.2020
September 2019 to March 2020	03.09.2020
April 2020 to August 2020	23.09.2020
September 2020	22.10.2020

All our employees' co-operative societies are computerized and all transactions are made through the system. It may be noted that when the societies update the accounts of the employees as per the amounts received from BSNL the system automatically computes the interest on delayed payment and deducts the amount from the total dues of the employees initially. As a result employees (members) become liable to pay additional amounts to the society.

The employees' co-operative societies are functioning as per the Kerala Co-operative Societies Act and Rules. An officer of the co-operative department is deputed to oversee the day-to-day functioning of the societies. As per the co-operative rules the members are liable to pay the interest on delayed payment. As the societies are under the constant scanner of the co-operative department no society can overlook or neglect the interest on delayed payment.

..2..

The members (employees) are not responsible for this additional liability. On the contrary it is the administration that caused the delay in payment. Therefore I request you to apprise the Corporate Office of the situation and make additional funds available to settle the accounts of the employees' co- operative societies at the earliest.

Thanking you,

Yours faithfully

C.Santhoshkumar
Circle Secretary
