Sir,

Sub: Covid-19 Vaccination to BSNL Employees -reg

We wish to bring the following to your kind consideration and favourable action.

During the past crisis-ridden year of Covid-19 spread, BSNL has been maintaining its infrastructure intact and delivering uninterrupted service throughout Kerala. The BSNL staff in the state worked round-the-clock and maintained network even during lock-down period. Many of our staff got infected with Covid -19 in the line of their duties. Covid-19 is now spreading in some parts of Kerala and our employees are vulnerable to the viral infection as most of them are frontline workers maintaining constant interaction with the public. It is learnt that the Kerala government is providing vaccination to public servants who are frontline workers.

We earnestly request you to take up the matter with the Department of Health, Government of Kerala to include BSNL staff also in the priority category for vaccination against Covid-19 akin to other frontline workers.

Thanking you,

Yours faithfully,

/C. Santhosh Kumar/  
Circle Secretary
